

Check with your rook first, then checkmate with your rook. Look only at checks!

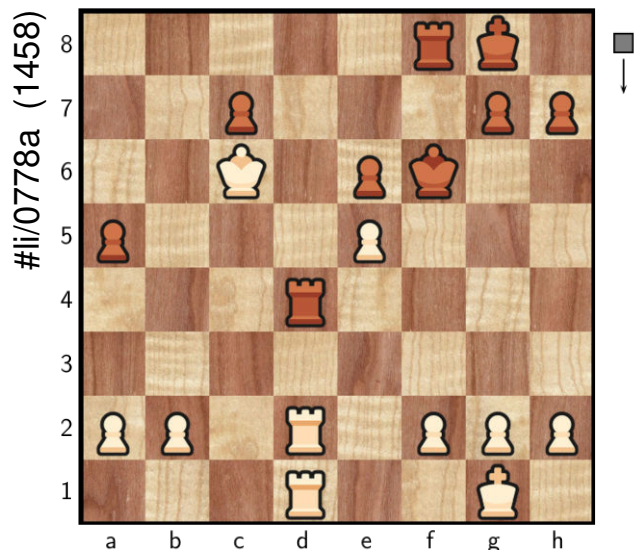

You have only one check: is it the start of mate? Be brave -- it starts with a sacrifice!

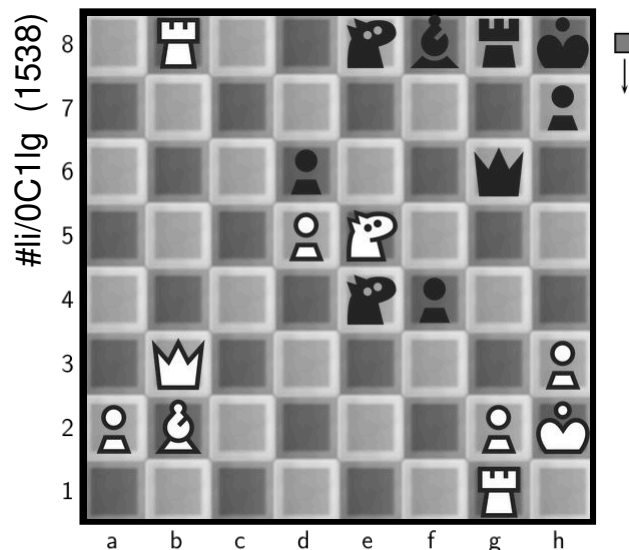

Checkmate in two moves! Start with a queen check.

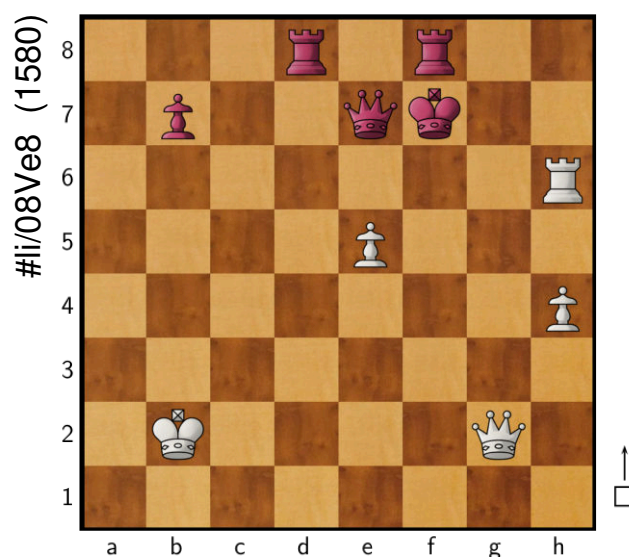

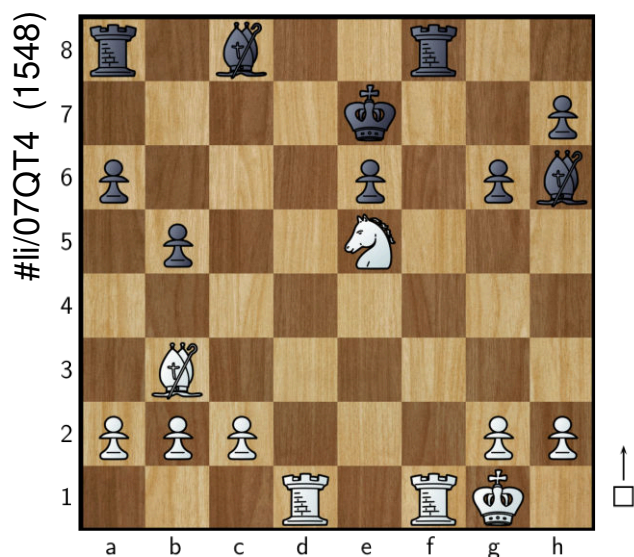

Sacrifice your queen with check first, then give a check, then finish with checkmate.

Checkmate in two moves! Stay forcing!

There are ten checks, but only one is checkmate! Forcing moves first!
