

You have two checks -- only one leads to mate!
Forcing moves first!

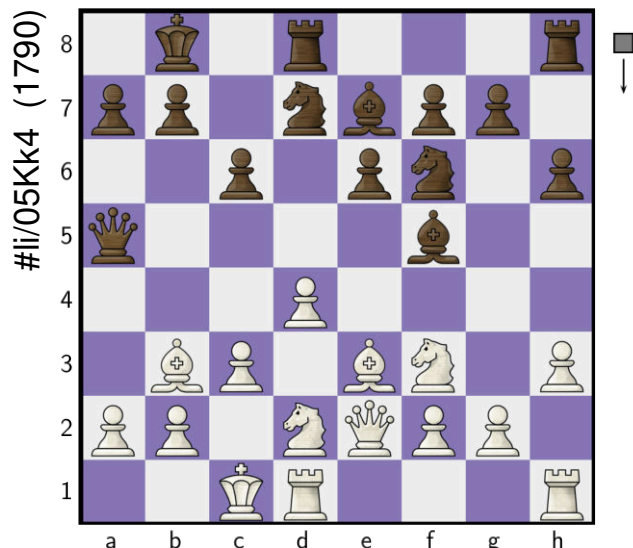

You have only one check: is it the start of mate?
Stay forcing!

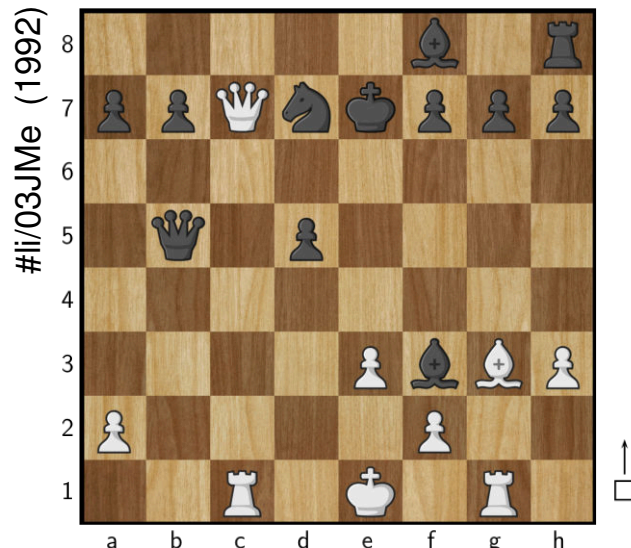

Checkmate in two moves! Slow down and look
at every option.

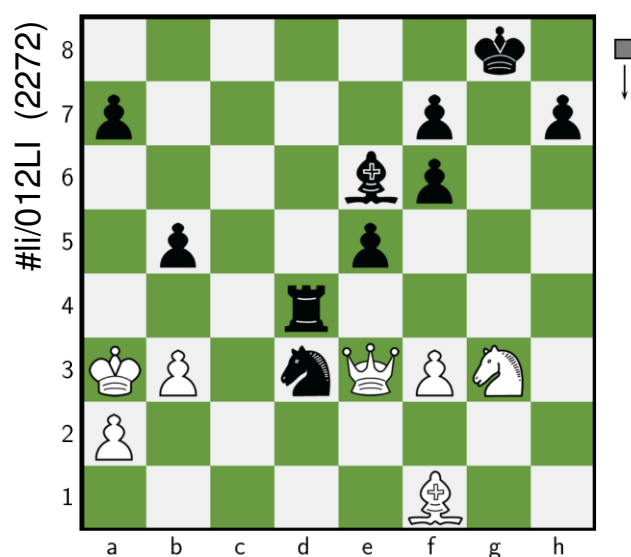

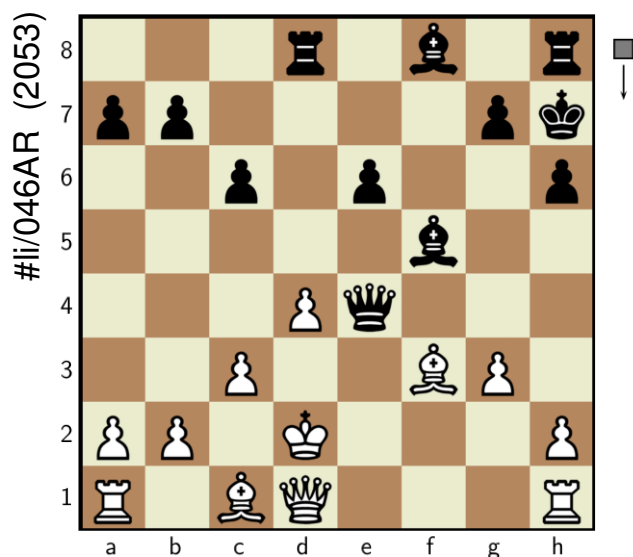

Checkmate in three moves! Start with a queen
check.

You have eight checks -- only one leads to
mate! Slow down and look at every option.

Checkmate in two moves! Be brave -- it starts
with a sacrifice!

Find the best move! Start with a pawn check.

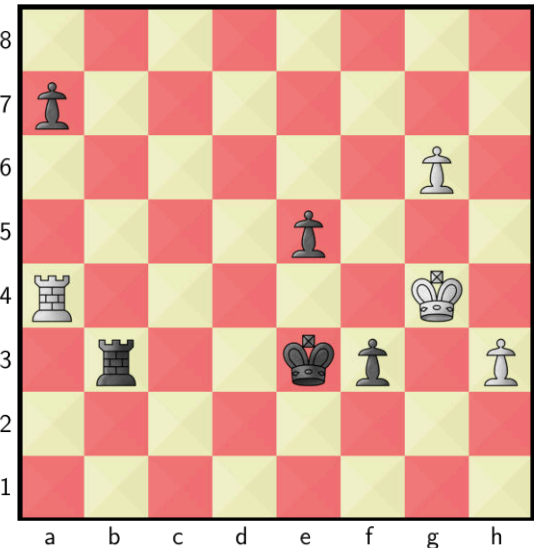

#li/07ijR (1782)

Find the best move! Slow down and look at every option.

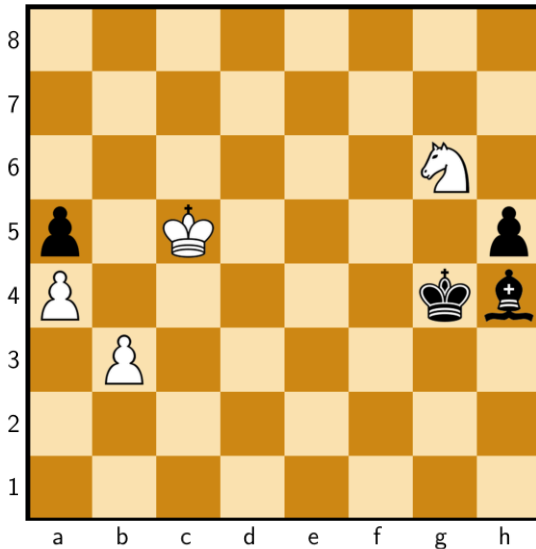

Start with a quiet pawn move (not a check!), then give a check.

#li/00IHu (1826)

Win material! Win the queen.

#li/0A3DG (1919)

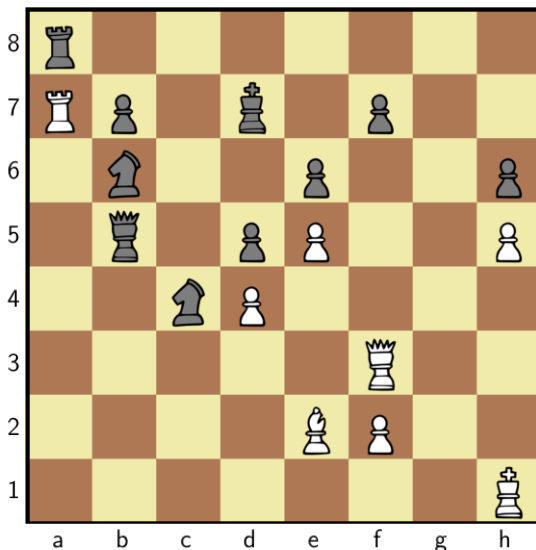

Win the pawn. Look at every check and capture first.

#li/02Cul (2032)

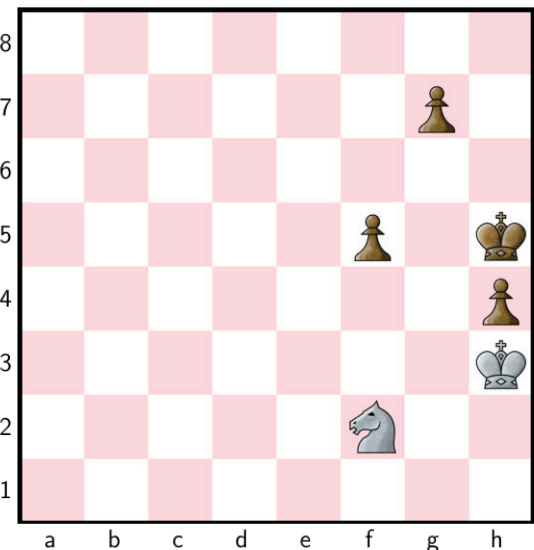

Find the best move! Slow down and look at every option.

#li/07TBM (2064)

#li/0B6j5 (2417)
